## Qualifications

**Sorbonne University:** MSc in Chemistry (2004–2006)

**École Polytechnique:** BSc in Chemical Engineering (2000–2004)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With 17 years of experience, I've guided students across the globe through challenging curriculums, including IB, A-Level, and IGCSE Chemistry. My students consistently achieve top results in both internal and external exams, gaining admission to prestigious universities worldwide.

I've also worked with students preparing for AP Chemistry and other international qualifications. Over the years, my tutoring has helped many learners develop a strong foundation in chemistry, allowing them to excel in advanced studies and professional careers.
