## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

For the past five years, I have taught IB Economics and IGCSE Economics to students from different regions, including Singapore and Europe. I focus on making economics relatable by incorporating real-world examples and simplifying complex topics to ensure students fully understand the subject matter.

Through personalized tutoring sessions, I help students excel in their internal assessments and exam preparations. My approach adapts to the unique needs of each student, ensuring they feel confident tackling both microeconomic and macroeconomic concepts, while achieving top results in their assessments.
